ABOUT US

With a dream to let the tender minds come out of their shell and pursuit for excellence. THE LEARNING TEMPLE SCHOOL was established in the year 2019. School is equipped with all modern amenities to meet the requirement of every learner. It is co-educational english medium school surrounded by lush green environment and far from the hustle-bustle of city life. This institution is not just a school but a temple of learning in respect to goddess of knowledge **Maa Saraswati**.

OUR VISION

Our vision is to empower students to acquire, articulate and value knowledge. we inspire our learners to be just, placid and ethical citizens of tomorrow and want them to empower their IQ, EQ and SQ. Our mission is to create vibrant environment that provides a stress free arena for them to explore their learning, creativity self reliance and logical thinking.

OUR MOTTO

The fulfillment of education is to bring peace to the suffering. While inculcating the best of Indian culture and tradition in its students, the school aims at developing in them a sense of discipline, a spirit of service and fair play. The school's motto 3D being **'Decorous, Discipline and Dignity'** are the virtues that imbibe holistic development 'Brilliant' to become ideal global citizens.

SWIMMING POOL

In our school, swimming pool helps children develop coordination skills for overall health. The swimming pools have dedicated swimming experts who teach the students the right way to swim and ensure that your child is always safe even if they are busy having fun in the pool. Swimming has been on a rise with a huge number of Indians performing at National and International tournaments all across the nation. It is an all-around activity that includes muscular development, cardiovascular development, body and mind coordination, making a student endurable and fit.

Under Construction

- Pool is Safe and secure
- Water is Clean and pure
- Used swimming suit only
- proper boundary wall
- 24X7 CCTV Surveillance
- Swimming Experts
